

Notice Pursuant to the National Cooperative Research and  
Production Act of 1993 -- Training & Readiness Accelerator  
II

Notice is hereby given that, on February 17, 2023,  
pursuant to Section 6(a) of the National Cooperative  
Research and Production Act of 1993, 15 U.S.C. 4301 et seq.  
("the Act"), Training & Readiness Accelerator II ("TRex  
II") has filed written notifications simultaneously with  
the Attorney General and the Federal Trade Commission  
disclosing (1) the identities of the parties to the venture  
and (2) the nature and objectives of the venture. The

The nature and objectives of the venture are to provide leading-edge modeling, simulation, and training solutions to increase warfighter readiness and enhance national security through the use of Other Transaction Authority.

The general area of TReX II's planned activities are to respond to requirements from the Army's Program Executive Officer for Simulation, Training, and Instrumentation (PEO STRI) to increase warfighter readiness via modeling, simulation, education, training, experimental validation, and military readiness focused projects. TReX II's planned activity is to conduct research, development, and prototyping of projects and projects in the following technology areas: Modeling; Simulation; Education and Training; Experimental Validation; Readiness; and Information Operations. The consortium was formed effective November 2, 2022.

Suzanne Morris,  
Deputy Director, Civil  
Enforcement Operations,  
Antitrust Division.
